**DISLECKSIA:  
THE MOVIE**

Emmy award-winning filmmaker Harvey Hubbell V and his crew explore the unique nature of how each of us learn. Join Hubbell, dyslexic superstars Billy Bob Thornton and Joe Pantoliano, world-renowned brain scientists and researchers, students and advocates as they join a movement to revolutionize education.

**If you missed it, it is available at [dislecksiamovie.vhx.tv](http://dislecksiamovie.vhx.tv) for only \$12.99.**

**150 people were in attendance and the film was followed by an excellent and, at times, humorous panel discussion moderated by Leslie Thatcher. Panelists included Jack Amiel, Ari Ioannides & Alex Hall, who shared their experiences living with dyslexia, and child neuropsychologist, Jenise Jensen, Ph.D.**
